About Infoman

Sage is known worldwide as a great line of business software. It's even greater when implemented correctly for your organization's unique needs – by Infoman. Infoman, Inc. is a Sage Solution Provider, Development Partner, and Authorized Training Partner. We have been involved with Sage for over 20 years and are the Pacific Northwest's Sage experts in solution design, customization, training and ongoing support. For the life of your business — from start-up through years of successful growth — we are always here for you.

Since 1986, INFOMAN has completed hundreds of implementation projects, combining software knowledge with business acumen. All of our on-staff consultants have extensive backgrounds in the real business world, using automation to achieve bottom-line results. Our client base is diverse, including manufacturing, distribution, service, retail and nonprofit organizations, and we pride ourselves on maintaining client relationships that withstand the test of time.
